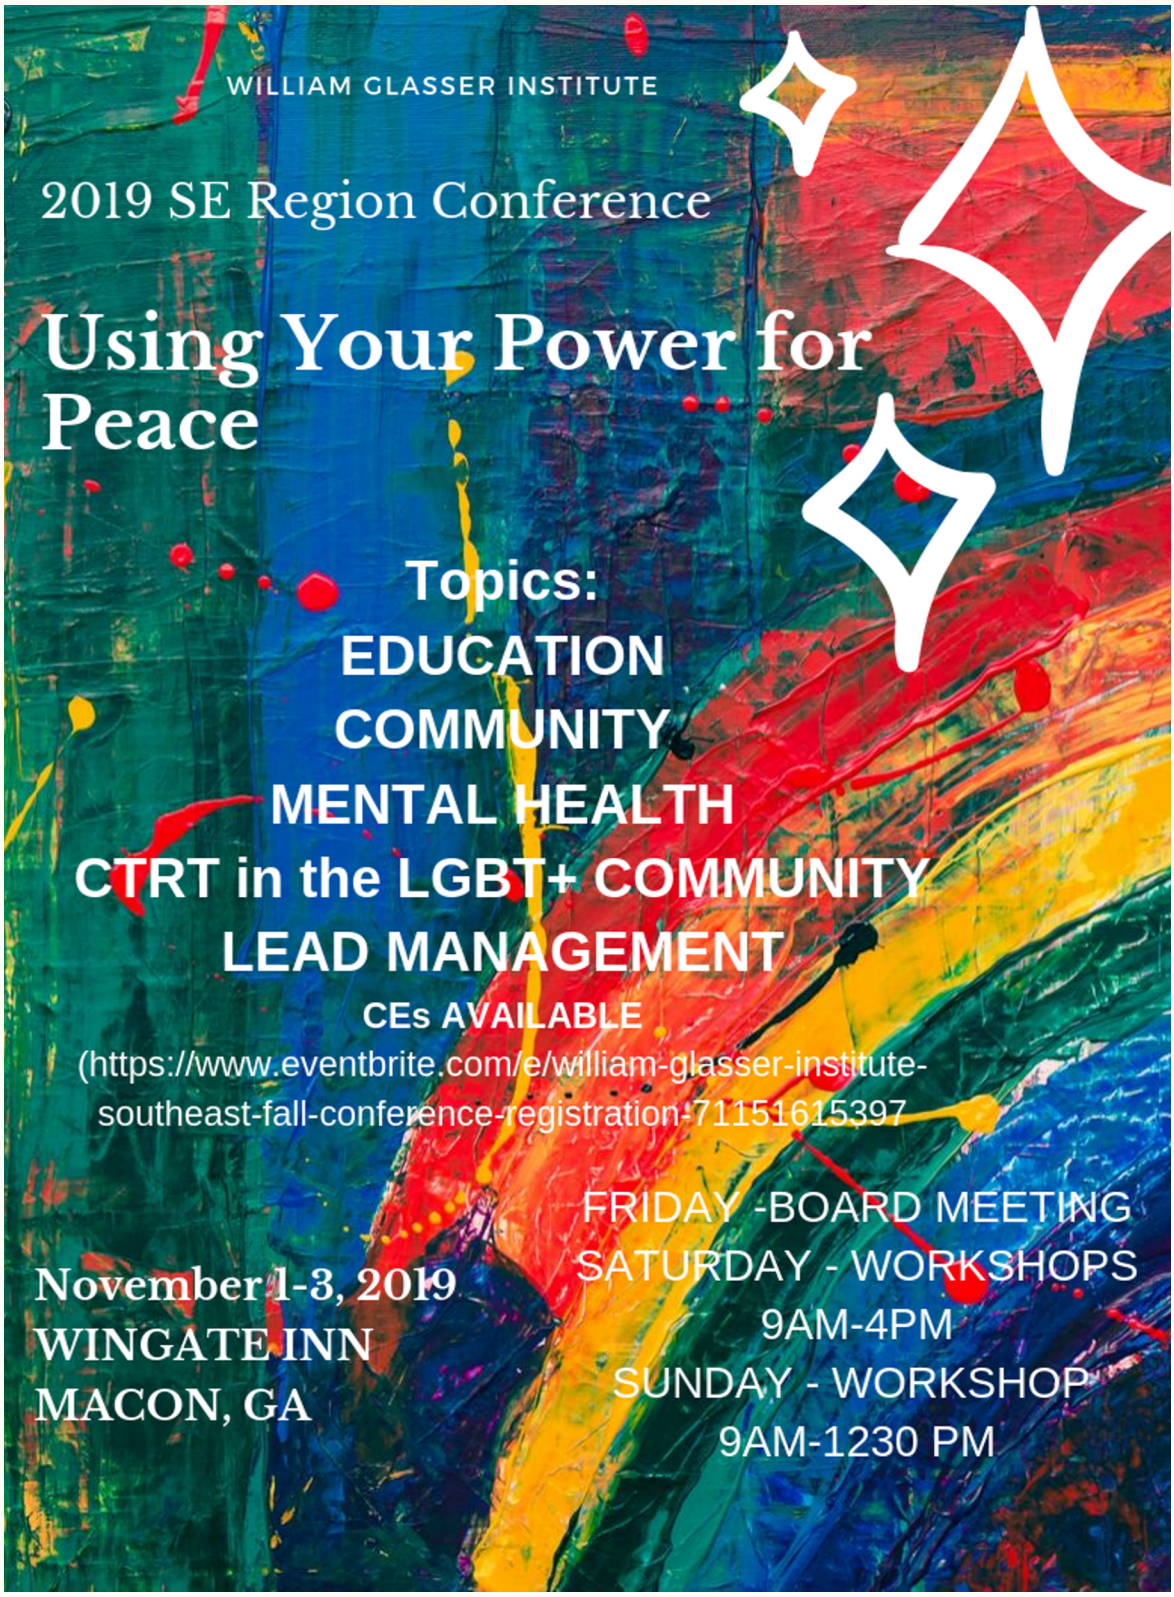
October 27, 2019
November 24, 2019
December 29, 2019



Counseling Today

The miscommunication model and the WDEP system

Clients may not come to counseling with a set of rules for governing appropriate self-disclosure. Therefore, counselors can introduce the tenets of choice theory's WDEP (want, do, evaluate, plan) system concurrently with the miscommunication model to add a directive structure to counseling sessions, according to internationally known choice theorist Robert Wubbolding.
