Allow Jim to tell us where we were 2-3 years ago when we did strategic planning. Nancy and Kim had talked about doing the big whole in April so that's what we want to do today. Jim had sent the board information on where we were and where we are. Can we do one day courses, half day courses? Are there any ideas for courses? What are the standards for the course? What if we have multiple courses that address the same topic? What if we have 5 different parenting programs? We are ok with that. Page 7 of the executive summary is being written down by Dave Betz at the meeting. Even if we have several different courses on the same topic, everyone is teaching their own interpretation of choice theory. It's important to think about values because everyone has different ones and it's not right to judge each other's values.

4 things to consider:

Quality  
Integrity  
Inclusion  
Fair

We are looking at healthy, happy, successful people in healthy, happy, successful relationships.

Our Vision: The go to leading organization for mental health relationships

We eventually want to partner with WGI for a conference.

Nancy Buck and Dave Betz are checking into the healthy people 20/20 goal.

Gloria may need some help with the Diversity Council because she is undergoing chemo. She appreciates and prayers or help. Willa is encouraging us to make the Diversity Council chair a member of our board.

Goals of WGI-US

In 5 years we want:

To increase duing paying mmebers to 1000

To provide some introductory course or Take charge to 50,000 people

To train in a basic intensive or beyond a 1000

To have the number of active faculty increase from 10 to 100

To have attendance double bi-annually at WGI-US conference

For MHH 2020 we want 10,000 around the globe

To sustain and promote evidence based status

Increase the number of Glasser Quality Schools from 12-60

To have 1-3 SME in each category on our website

Jim is working on a course evaluation matrix.

One of the things that could happen is increased communication between WGI-US and WGI.

Invitation to have WGI-US reps on the WGI board-We will postpone consensus-ing on this until the May meeting.

How would this work? Do we have them attend WGI meetings?

Some of the country reps are on the WHI board.

Elijah has volunteered to work with Gloria on the Diversity Committee.

Next scheduled meeting is Wednesday, May 11<sup>th</sup> 11am Eastern

If everyone fills out the doodle, we will confirm a date for June.
